

Holly & Tim's Wedding

STATIONS • SECOND LINE • TIMELESS

Their Special Day

Sweet southern hospitality was the focus for Holly & Tim's special day. Being deployed during the planning of the wedding didn't slow this couple down, thanks to mom! The 10 piece band provided the jazz. Multiple food stations for every guest to create their own dinner. Cookies & desserts from family recipes added a personal touch. A parasol and second line jazz trio from the ceremony to St. Charles rounded out the charm from the newlyweds to their guests.
