

Jeremy & Nikki's Wedding

TRADITIONAL • BUFFET • WHIMSICAL

Their Story

An outdoor wedding in Ohio means one thing: beat the rain! Well the rain held out, and Jeremy and Nikki were able to have a beautiful summer ceremony on the patio of Bryn Du Mansion.

The couple offered a bit of southern hospitality by offering sweet tea and butternut squash ravioli to their guests. The selection of wines served were gifts from the individuals who attended the bridal shower.

Dancing and fun for everyone!
